

Activity Information and Courses

timetable may differ during school holidays.
to-date with Children's Centre services,
to our Facebook page.

is a group for parents/carers with babies 0-12 months. This is a
group where parents can share experiences and access support.
in a very welcoming atmosphere.

ic: Advice, information and support from the Health Visiting Team
children's Centre. A chance to come along relax and chat with oth-
support is available.

e: For babies, pre-school children and their families. Enjoy songs,
ents. Look at books and spend time reading with your children and
enjoy listening to stories read by others.

ittle Explorers: *Invitation Only* A chance to meet with other
g with your children and enjoying the fun activities that are on offer.
o provide information and support. We aim to support and share
understanding of their children's learning .

r Childs Behaviour: *Invitation Only* Teignbridge Children's
that are designed to help parents develop a way of relating to their
child development and effective behaviour management.

experience delay with their communication skills. This may be their
ening/attention skills. If you are concerned about any of these, the
an arrange for a member of our team or a Health Visitor to carry out
reening and support will then be offered through our groups and 1:1
support.
