The Bovey Tracey and Chudleigh Practice

Response #1:

All fine, clean, lots of space. Had my Pneumonia jab on Friday she wasn't very gentle! Earlier in the week I also had an appointment to have an injection into my knee. Think it was Dr Ward, what a nice man! He explained things, but also as I had had my Covid Vaccine the week before, was not able to have the injection and have to be 2 weeks clear. Just sorry I didn't know that as it wasted his and my time, but he's booked me another appointment for Chudleigh.

Response #2:

The service provided by the GP was excellent. He assessed the priority of my condition, and I was seen within an hour (including my travel time). I saw a nurse and GP during my visit. The service was prompt and courteous.

Response #3:

Dr Kinsella was very helpful, sympathetic and supportive as usual. The only negative was that I was incorrectly directed to the upstairs by the message on the screen when I checked in.

Response #4:

Reception really helpful and GP service brilliant.

Response #5:

Came for vaccine. Pretty much walked in and walked out, excellent
