

Friends and Family Test Results – January 2021  
The Bovey Tracey and Chudleigh Practice

## Comments

Response #1:  
Efficient service

Response #2:  
location

Response #3:  
I am always very happy with the services provided by the surgery. I feel lucky to be registered with this surgery, having never had any problems or worries.

Response #4:  
I am not aware of anyone who does not have a GP but I would likely recommend if such a situation did arise.

Response #5:  
I have had neither contact or treatment with the practice for the last year

Response #6:

I have always received very good treatment from all staff, have no complaints

Response #7:

Efficient, friendly, easy to get to, parking.... You saved my life when you picked up I had angina some 4 years back now... It's a real shame that we're moving house before very long.

Response #8:

Polite, helpful and treated with courtesy and listen to what I have to say.

Response #9:

I have always received excellent service and medical attention from this practice. All the staff inspire total confidence.

Response #10:

Practice appears to be run smoothly, consistently and calmly.

Response #11:

I have received excellent care from everyone in the practice. I have been referred for hospital procedures by all the GPs I have consulted. I am delighted with the caring and professional treatment I have received.

Response #12:

The surgery is excellent the staff are very helpful and friendly and doctors are fantastic

Response #13:

Easy to deal with

Response #14:

I haven't been here long enough yet

Response #15:

Only just moved to the area
